

Ski Trip Reminders

We are all looking forward to the ski trip on **Wed., Feb. 20**. Here are a few final reminders.

- Students must **be at the school at 7:15 a.m.** to load the buses. The bus will leave at 7:30 a.m. Students who are not here at that time will be left behind and the money for the bus will not be refunded.
- Parents who are driving to the hill may come to the school first or go right to the hill. A reminder that the hill does not open until 10:00 a.m.
- Dress appropriately for the weather. Make sure you wear layers that can be put on when the weather is cool (or on the ride on the T-bar), or removed as the day warms. Also make sure that clothing is waterproof as the snow may be wet.
- Bring sunglasses or ski goggles, sunscreen and an extra pair of mittens.
- Remember your helmet!
- Do not bring valuables. We cannot be responsible for their safety.
- Use the garbage can on the bus. Students will be asked to ensure the bus is clean before leaving it at Worsley and back at Robert Ogilvie.
- Pack a lunch for the trip and some snacks for after skiing. Put any money you bring for the snack bar in a zippered pocket.
- Thank you to all of the parents who have volunteered to go on the trip. Teachers attending the trip will be Mrs. Boyd, Mrs. Fraser, Mrs. Tacey and Mrs. Lee.
- The bus is expected to return to Robert Ogilvie between 6:00 and 6:30 p.m. Please ensure you have made arrangements and your child knows to walk home or be picked up. Students have been told that they need to know how they are going home before they leave in the morning.
- **Have fun!**

Mrs. Gibson
