

WELCOME BACK ROYALS !

What will Royals do in school this September?

ROYALS WILL BE READY...

We hope you are ready to be back at school where we will learn and grow together.

- You will be seeing some of your old classmates, friends and teachers
- There will be many new friends to meet this year

ROYALS WILL BE SAFE

All education partners have been working very hard to make sure we are ready for students to return this school year.

Measures have been put in place to help keep everyone safe and healthy.

1. STAY HOME WHEN SICK

All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.

2. HAND HYGIENE

Everyone should wash their hands more often!

Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.

3. RESPIRATORY AND PERSONAL HYGIENE

Cover your coughs.

Do not touch your face.

No sharing of food, drinks, or personal items.

4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

Spread children out to different areas.

Take them outside more often.

Stagger lunch times. Incorporate individual activities.

Remind children, "Hands to Yourself!"

5. CLEANING AND DISINFECTION

Clean and disinfect frequently touched surfaces at least twice a day.

General cleaning of the centre should occur at least once a day.

Use common cleaning and disinfectant products.

ROYALS WILL START SCHOOL TOMORROW MORNING...

- To find out which class you are in, go to the table with your Last name starting in... (A-E) (F-J) (K-O) (P-R) (S-W)
- You will get a sticker with your teacher's name on it
- Find the cone with your teachers name on it and line up
- You will say goodbye to your family and your teacher will lead you in after the bell
- You can meet your family outside by the playground at the end of the day

STAGGERED SCHEDULES

- This year we will all have the same start and end time, but recesses and lunches will be staggered
- These staggered schedules will allow for smaller numbers of students on the playground, in the line-ups, at the entrances, in the hallways etc
- Parents will drop you off at the playground and meet you back there at the end of the day. **Parents will not be in the school (unless by appointment at the office)**

ROYALS...

- stay home if you feel sick
- Wash hands over and over again.
- Touch as few things as possible.
- Minimize physical contact with other people.

TOUCH-FREE!

ROYALS WILL WASH THEIR HANDS

It is important that you wash your hands for a full 20 seconds with soap and water.

Singing the ABC song is a good way to measure 20 seconds!

Use a paper towel to dry and throw it in the garbage when you are done.

ROYALS WILL STAY HYDRATED!

Students are asked to bring a water bottle every day.

- The bottle filling stations will be working.

ROYALS WILL BE PATIENT!

You will have to line up and **wait, without touching anyone**, for your turn to wash hands. You will have to do this every time:

1. You come inside from outside.
2. You go outside to play.
3. Before you eat & after you eat.
4. Before and after the gym, library and computer lab
5. After you go to bathroom.
6. After you touch your face.
7. After you sneeze, cough, or blow your nose.

ROYALS WILL PRACTICE GOOD HYGIENE

Cough and sneeze “*Dab Style*”. Wash your hands after!

ROYALS WILL RESPECT OTHERS' SPACE !

* Create a fun touchless hand shake. It can include, air hugs, high fives, fist bumps, winks, dance moves. The sky's the limit.

Fun no touching games

Hacky sack, sly fox, statues, foot races, hide and seek, jump rope, follow the leader, zip zap zoom, I spy, Simon says

ROYALS WILL HAVE FUN

All of these rules seem so serious, we WILL have fun too!

ROYALS WILL LEARN

September is a great month to do interesting projects

both inside and outside of the school.

We will be learning in all subject areas.

(Reading, Writing, Math, Social Studies, Science, Gym and more)
